

## Wedding Packages 2010

### **Congratulations on your engagement!**

I have a confession. I will cry at your wedding...I'm a hopeless romantic at heart who will never tire of experiencing the raw emotions of happiness and joy when two people choose to stand before their family and friends and vow to spend the rest of their lives loving each other.

Finding someone you can trust to capture all of the magical moments of your wedding day is one of the most important decisions when planning your wedding. I will work with you and your budget to ensure that all of the cherished memories of your special day are preserved.

If you are newly engaged, don't delay in contacting me about booking your wedding photography if your wedding date is in 2010. My availability is quickly becoming limited (especially for July and August). I'd be more than happy to meet with you in person at your earliest convenience to discuss my packages in further detail and to answer any questions you may have.

I can be reached:

By Phone: (902) 444-4743

By Email: [tammi@tammihayne.com](mailto:tammi@tammihayne.com)

I look forward to being a part of your special day and in assisting you in crossing one more item off of your "I Do!" List ☺

### **Wedding Photography Packages Include:**

- **Up to 8 Hours of photographic coverage**  
This all-inclusive approach to packaging provides you with up to 8 hours of photographic coverage to ensure all those special moments are captured without the need for constantly checking your watch. Typically this will include shots of the bride and/or groom getting ready right through until the first dance and cake cutting. Coverage will be provided up to 10:00pm.
- **All images on disc**  
You will receive all the digital images files in full resolution allowing you to use the images as you wish. Share them on facebook, on your wedding website, print as many prints or enlargements as you wish with your preferred photo service. Tammi believes that if you are investing in the images of your wedding day that you are entitled to the freedom to use the images without restrictions.

- **Password protected online viewing gallery**

All of your images will be uploaded to a password protected gallery in a size suitable for downloading to create prints or enlargements up to 5" x 7" in size. Share the site URL and password with friends and family and allow them to download any images they would like printed. They can take care of printing the images through their preferred photo service, taking the pressure off of you to supply them with images. You can also download the images yourself for sharing through email, on facebook or your personal website.

- **One hour engagement portrait session**

This is invaluable in getting to know Tammi and so all those stage fright jitters are non-existent on your wedding day! The more comfortable you feel with Tammi the more relaxed you can be when it counts. During the hour session at a location of your choice, Tammi will capture special images that can be used in newspaper announcements, on save the date cards, your wedding invitations or at your wedding in photo frames on guest tables, in a frame for signing or in a guest book. All images will be uploaded to a password protected gallery for downloading in 5" x 7" size and will be provided on disc for prints and enlargements.

**Other Information:**

- All photographs taken by Tammi Hayne (not an associate or a combination of photographer and associate) so the coverage of your wedding is uniform and in the unique style Tammi is known for. Your photos should tell a story of your wedding day from beginning to end which is best achieved through the vision of one person.
- A deposit of \$250.00 and the signing of a contract is required to officially book photographic coverage of your wedding day. “Holds” on dates are not permitted and availability is based on a “first come, first serve” basis (therefore the first couple to sign a contract and pay the retainer deposit will secure the date). Upon payment of the initial deposit and signing of the contract, wedding photography services for your wedding are considered booked and confirmed.
- The deposit is non-refundable if the wedding is for any reason cancelled.
- 30 days prior to your wedding, half of the remaining balance is due.
- On your wedding day the final remaining balance is due.
- Travel included for locations within the Halifax Regional Municipality. All areas beyond the HRM will be charged a travel rate of 0.40 per kilometer (to and from the location).
- If photographic coverage is required until 10:00pm and the location is not within the Halifax Regional Municipality, private overnight accommodation is required.
- It is understood that the photographer is the exclusive photographer for the event but will allow others (amateur photographers such as family and friends) to take photos as long as it does not interfere with the photographer’s ability to capture images or work within the time constraints of the clients’ package.
- For photographic coverage which includes a reception where a meal will be served, it would be appreciated if the photographer be included in seating arrangements (as close to the head table or microphone stand as possible) and a meal provided (otherwise the photographer must take a meal break at which time photographic coverage will not be provided).
- The photographer maintains shared rights to the images in order to use them for future promotional/portfolio purposes including print and web advertising.
- For clients who reside outside of the Halifax Regional Municipality, postage required to mail your discs, prints and enlargements is not included in your package price. Payment of shipping costs is payable to the photographer prior to shipment.
